

CONGRATULATIONS, GRADUATE!

******ALL THAT FOLLOWS IS SUBJECT TO CHANGE
DEPENDING ON THE PUBLIC HEALTH SITUATION.******

1. Our Graduation Ceremony is scheduled for **Wednesday, July 28th in City Park outside the Bandshell. We ask for Students and Families to gather at 2 p.m. and we will plan on starting the Ceremony at 3 p.m.**
2. Cap and Gowns, Announcements, Class Rings and just about everything else is available from Herf Jones (a company, not a guy). You can visit them online at thegradoutlet.com or call them at 509-238-4310 (ask for Jim or Susan).
3. If you would like to borrow a Cap and Gown, they are available in limited numbers. Talk to Dodi or Charles. We are going to want to distribute them prior to Graduation. We will be in the Building all day on the 28th up until noon or so when the site becomes available and set up begins.
4. **STAY IN TOUCH.** As Graduation gets closer, come by the school, call us or check the website/GradPoint/School Facebook page for any late breaking announcements. This is **CRITICALLY IMPORTANT** as, at the time of this writing (March 1st) things are still really up in the air. Trust us when we say we will do our very best to make this a day you can remember, but we are, currently, somewhat at the Mercy of circumstance. Fortuna Be With Us.
5. **No Matter What Happens with the Ceremony....**do not let any bad developments subtract from your achievement. You have earned this and even if we can't celebrate together (which I hope we can!) nothing can take away from your Grit and Determination to have made this happen.

AGAIN – CONGRATULATIONS!
